Description: An unabridged, digitally enlarged printing to include all illustrations by the author. Originally titled: Stellar Theology and Masonic Astronomy, or, The Origin and Meaning of Ancient and Modern Mysteries Explained...

Review: This work is an excellent revelation of the origins of our Craft ritual and symbology. It is presented in understandable (for me) dialogue. It presents an elementary explanation of zodiacal astronomy, and relates it to many of the procedures and phrases used in today's Masonic Temple, even though written 136 years ago. Really an amazing book for those...
